MEMORANDUM FOR: Chief, Operations Division, OSA

SUBJECT: Survival Equipment

REFERENCE: IDEA-1016-63, same subject

1. The referenced memo was discussed with [redacted]. His recommendations are that OSA procure two each of the [redacted] [redacted] Locator Beacon and the [redacted] Personnel Locator Beacon. Immediately upon receipt of these items, SOD will initiate extensive field testing of these devices to determine their suitability for OSA and SOD operations.

25X1

25X1

2. This office has requested cost information and one sample of the 35 MM Eastman Kodak strip viewer for examination. For E & E use this viewer will need modification to include a destruct capability to lessen the chance of the evader being caught with small scale maps of denied territories in his possession.

25X1

Intelligence Staff, OSA

DISTRIBUTION:

- Copy 1 - Addressee
- Copy 2 - OSA/OD/IDEA
- Copy 3 - OSA/INTEL
- Copy 4 - OSA/RB
